A Treasury of Laughter

The 1961 Horizon presents a record of the fun of working together in activities, the excitement of meeting friends, and the joy of learning.

We now return to you these chapters of a year together. Our aim—that this book will be a memory book, a treasury of laughter.

ADMINISTRATION

BOARD OF EDUCATION

The five members of the Alameda Board of Education represent the citizens of Alameda in their constant efforts to maintain a high standard of education throughout our school system.

To these leaders in our community, Dr. Donald Lum, Mr. A. Hubbard Moffit, Jr., Mrs. Lee Cavanaugh, Mr. Walter Howe, and Dr. Stuart Stephens, we extend our sincere thanks for their outstanding and unselfish service.

BOARD OF EDUCATION—SEATED: Mrs. Lee Cavanaugh, Dr. Donald Lum, Mr. A. Hubbard Moffit, Jr. STANDING: Mr. Walter Howe, Dr. Stuart Stephens.

Dr. Donald M. Roderick, Superintendent of Schools.

SUPERINTENDENT'S MESSAGE

The theme you have chosen for the 1961 Horizon is a refreshing and stimulating one. Learning should be a happy, wonderful experience. The memories that you have recorded in your yearbook will be constant reminders of those carefree days.

But however delightful these days may be to you, they should be coupled with the serious business of equipping you for purposeful living.

One thing that you may have discovered is that learning in itself can be a most satisfying pleasure.

To solve a difficult problem, to create a beautiful picture, to compose a good, well-organized theme is in itself a satisfaction. Thus it has been revealed to you that the means and the ends are not distinct entities in themselves. They coalesce; they become one.

Your yearbook then, with its many facets of high school life is a tangible and valuable reminder of those serious and pleasurable aspects of your school days.

May your future be as rewarding to you as these high school days have been.

Donald M. Roderick
Superintendent of Schools

PRINCIPAL'S MESSAGE

A sense of humor is a valuable asset in making adjustments to the complexities of life's problems. This is especially true in the world we live in today. The pace is quickening, for we must devote our energies to be first in the space race, first in education, first in defense, and first in many other fields of endeavor. As individuals, we become acutely aware of the demands of society. These demands cause tensions to be built up which often have a detrimental effect on our health and well-being. A laugh, a chuckle, a smile, the ability to appreciate the humor of a situation, to laugh at our own shortcomings, to refuse to take ourselves too seriously—these are all ingredients found in a sense of humor. As a vital force in making us appreciative of the people around us and the world in which we live, there is nothing so valuable as a good sense of humor. I believe that the Horizon staff has selected a theme for the 1961 yearbook which is, indeed, timely for it has contributed gaiety and verve to this publication at a time when the world is in need of happiness and laughter.

I wish to thank the members of the Horizon staff for their devoted service in giving our students such an outstanding yearbook. To Miss Holland, editorial advisor; Mr. Kline, business advisor and Martha Sneary, editor, I extend my personal thanks as well as the thanks of the Encinal High School faculty and of the student body for the many hours of work spent in bringing the Horizon to us.

MIKE FLOWERS

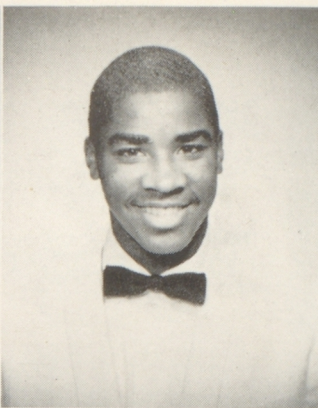

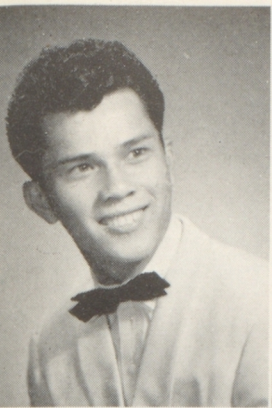

We, the class of June 1961, with happy memories, bid farewell. Recalling the years spent at Encinal, we remember numerous cupcake sales; making and selling pennants; our Soph Hop, "Date With An Angel"; receiving our junior pins; "Twilight Sonata," our Junior Prom; and, perhaps most vividly of all, becoming seniors.

Enjoying all the activities of this year: our Senior Play, "Our Town"; long awaited rings; the warmth of senior jackets and sweaters, we hardly realized the coming of June.

The Senior Picnic, Assembly, Banquet, Ball and Baccalaureate passed in a maze of activity and enjoyment. Finally, there was Commencement and, harmoniously singing "Encinal Forever," the Class of June 1961, being both happy and sad, graduated.

"OUR TOWN"

The class of June '61 presented its senior play on October 27 and 28. This was one of Encinal's greatest plays; not only was the acting fine, but this play was carried out successfully with almost no scenery. Frank Ashworth, who was the Stage Manager, gave a memorable performance. Also in the drama were Denny Kaleva as George Gibbs and Marilyn Pangle as Emily Webb. This three-act play was also different in that, from beginning to end, the curtain remained open. The success of this play was, however, due primarily to the energies and spirit of this year's graduating class.

Student Director, Georgia Arnold, gives last-minute instructions to "Our Town" cast.

We, the class of January 1962, are looking both to the past and toward the future.

Looking back, we recall the events which have made our years here so memorable. Most vividly, we can see our Soph Hop, "Abstraction in Blue"; receiving our junior pins; "Christmas Carrousel," our Jr. Prom; wearing our rings for the first time and producing "The Curse of an Aching Heart," our Senior Play.

Looking forward, we can see the climax of high school in our senior activities yet to come and, finally, our graduation. As we turn these pages we can see our classmates who, after receiving their diplomas, will go out into the world seeking their specific goals. The past is full of happy memories, but the future holds memories to be made.

"THE CURSE OF THE ACHING HEART"

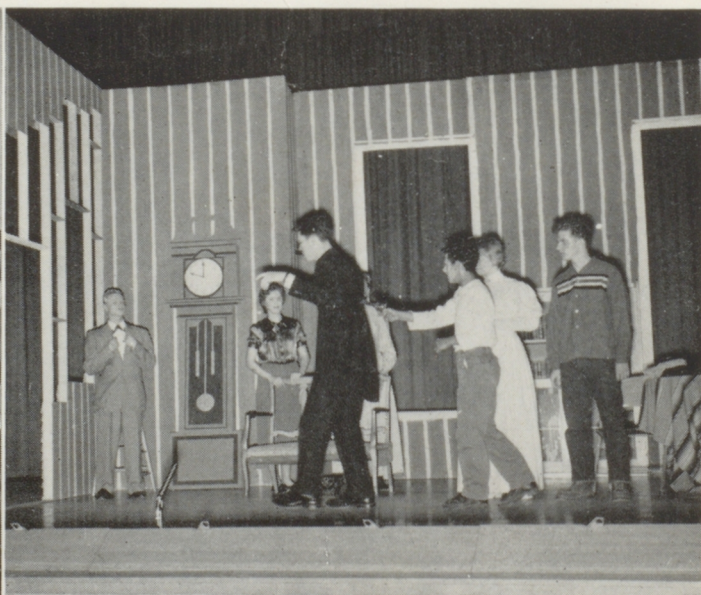

The Class of January 1962 presented something new for its Senior Play, a three-act melodrama with audience participation.

Under the direction of Mr. John Cotter and Student Director Harry Kelly, the 4A's produced a very successful play.

The nights of March 9 and 10, 1961, will be remembered by the Low Seniors and all those who attended the play because they were alive with "boos," "hurrahs," "hisses," and applause, as the days of the melodrama were relived on our stage.

Chief student electrician at all E.H.S. assemblies and plays was Vernon Crosby.

"Oh well, I'll not have to worry about my meals for a few years," was the comment of villain Windermere Hightower as he was led off to jail in THE CURSE OF AN ACHING HEART.

WE EAGERLY AWAIT OUR SENIOR YEAR

Our first three years of high school were happy years, filled with new ideas, new friends, and many activities.

As juniors, we have written an exciting chapter in the history of our class. Highlights of this year include: receiving our junior pins and sweaters, sponsoring the best Junior Prom ever, "Heavenly," and, finally, ordering our senior rings.

Now, we eagerly await our senior year, looking forward to many exciting activities and the happiness which comes with finally becoming seniors.

Proud juniors assist Mrs. Rourke, class sponsor, in displaying a prom banner.

SOPHOMORES ENJOY FUN-FILLED YEAR

A little older, a little taller, and a little wiser are this year's Sophomores, having completed their last year as underclassmen. They are now ready to assume the responsibilities and to enjoy the privileges of their junior year.

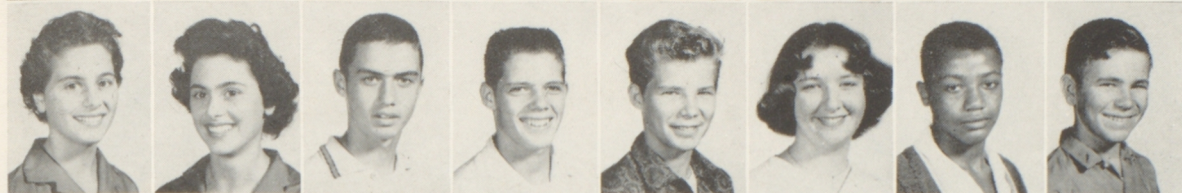

This has been a year of experiments for the Sophomore Class. A council made up of one member of each advisory met once each month to discuss the problems and activities of the class. Having a "Pep" Dance after the basketball games has been an exciting and different way of raising money.

Sophomores plan for future activities.

A FIRST LOOK AT HIGH SCHOOL

Entering Encinal this past fall was the Class of 1964. Three hundred got off to an active start in high school.

The class decided to elect advisory representatives who meet as a class council. The council proved to be an effective way of improving communications among the ten advisories. Mrs. De La Vergne replaced Mrs. King as class sponsor in February.

Busily planning activities for their class, these freshmen hold a meeting.

CAMPUS LIFE

Mr. Peinado welcomes our new American Field Service student, Sergio Pirra, to Encinal.

AND QUEEN

The 1961 Horizon Staff presents our Football Queen, Jeanne Weitzenfeld, and Princesses Janice Freel, Gayle Peacock, Carol Freeman, and Margie Dumlao.

Jeanne and her assistants are congratulated at the Alameda-Encinal game by Doctor Donald D. Lum, president of the Board of Education.

WORK AND FUN IN

Classes at Encinal combine work and fun to make school an educational and enjoyable experience. Our teachers add timely humor to fine leadership, and the result is interest and genuinely happy student participation.

These are the future leaders of the business world?

Although they have fun, these Office Practice girls are seriously training for future jobs.

Now, here is an active Civics class. Being intellectually active is so tiring just after lunch.

THE RIGHT PROPORTION

The spontaneous laughter which bursts forth from even the more difficult and serious classes proves that "learning can be fun."

Just a friendly little discussion. Fortunately, All Encinal students have a sense of humor.

Let us hope that these chemistry students know what they are tasting.

Our future engineers look slightly puzzled.

A VARIETY OF CLASSES FOR

Encinal offers many elective courses, from history to homemaking, to fulfill the varying interests of students.

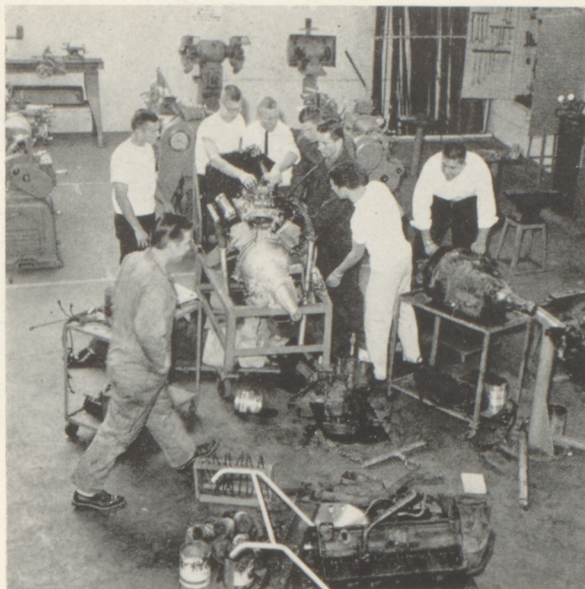

Some of the courses enable the students to learn more about broad, general fields; others prepare them for jobs in the business world, and

THE SPIRIT

Encinal students show school spirit in many different ways. Cars, the pride and joy of many Jets, are creatively decorated for football games. We are all grateful to the people who give their time to generate spirit by leading

Many mothers gladly helped with elaborate decorations.

HAPPY TIMES IN THE GIRLS' ASSOCIATION

Every girl has enjoyed a happy year in the numerous activities of the Girls' Association.

Last fall the freshman girls were welcomed into the association with the annual Freshman Reception. Senior "sisters" escorted the new girls to an afternoon of speeches, entertainment, and refreshments.

Highlights of the Spring Semester included buying "Little Major", Encinal's own stuffed blue dog, and the Annual Fashion Show, an overwhelming success.

Miss Shockley, the Fall and Spring Officers, and the G.A. Representatives planned many events for the girls' enjoyment—we enjoyed them all.

1961 HORIZON STAFF

Here's the book! It took us a good many hours to give you the 1961 Horizon, and don't think we didn't enjoy every hour of it—we didn't. Many times we were discouraged, but, with the cheerful encouragement of many people, we were inspired to continue. Please look at every picture and read every word. We did it—and we are proud and happy that it's finished.

The Business Staff members are Donna Stefani, Linda Swager and Mr. Kline.

Frank Lawson and Janice Freel are on the editorial staff which is advised by Miss Holland.

THE OPENING DANCE WAS "HOWDY STRANGER"

Busy members of Student Council help with opening dance.

Through legislative action, Student Council representatives from each advisory helped to support our self-governing student body. The Student Council met every Wednesday to bring together their ideas to better our school.

"Howdy Stranger" was the name of the opening dance for the freshmen. Under the direction of the general chairman, Jeanne Weitzenfeld, the welcome dance was most successful. It was, in fact, the best opening dance in Encinal's history.

Future assemblies are planned by the Student-Faculty Committee.

Arlene Townsend, one of the many students who provide entertainment at the assemblies.

The spring semester got off to a fine start with the opening dance, traditionally held at the beginning of each semester. Sponsored by the Student Council, the dance, "Half-Time," was a big success.

Student Council representatives were given, for the first time, cards indicating that they belonged to one of the governing bodies of Encinal High School.

E.H.S. BAND GOES TO STOCKTON

The Encinal High School Band, under the direction of Mr. Hewitt, has 48 members. Our band is one of the most active in the East Bay. Among their activities are trips to Stanford and the University of California.

Smaller groups perform regularly as part of either the Pep Band or the Dance Band. The Pep Band plays at most basketball games, while the Dance Band has performed throughout the city on various occasions. The Encinal Band always represents our school and city well.

ENCINETTES AND CHOIR HAVE BUSY YEAR

The a cappella choir and Encinettes put on an assembly with the E.H.S. Band this year and accompanied the band to the University of Pacific. Both groups contributed to the success of the Christmas program.

This year the Chess Club has joined the Northern California High School Chess League. Encinal is one of twenty schools that participate in numerous tournaments.

The Chess Club also plans to go on a picnic with the Library Club during the spring semester.

Although the club is very new, it is increasing in membership with the help of Mr. King.

JETS CREATE AN UPSET

During this summer there was a meeting of a group of coaches who were charged with picking the teams favored to win top honors in the Northern Alameda County Athletic League. Of the nine teams in the league, Encinal was picked to finish fourth in the league standings. But the Jets were not going to settle for a fourth place. They worked hard, gave it all they had and were rewarded with a second place instead of a fourth.

There were five members of our team who were fortunate enough to make the All-Alameda County Athletic League. These outstanding players were: Andy Brown, Bobby Miranda, Don Peterson, Mickey Profumo, and Curtis Reed. Congratulations, team of 1960.

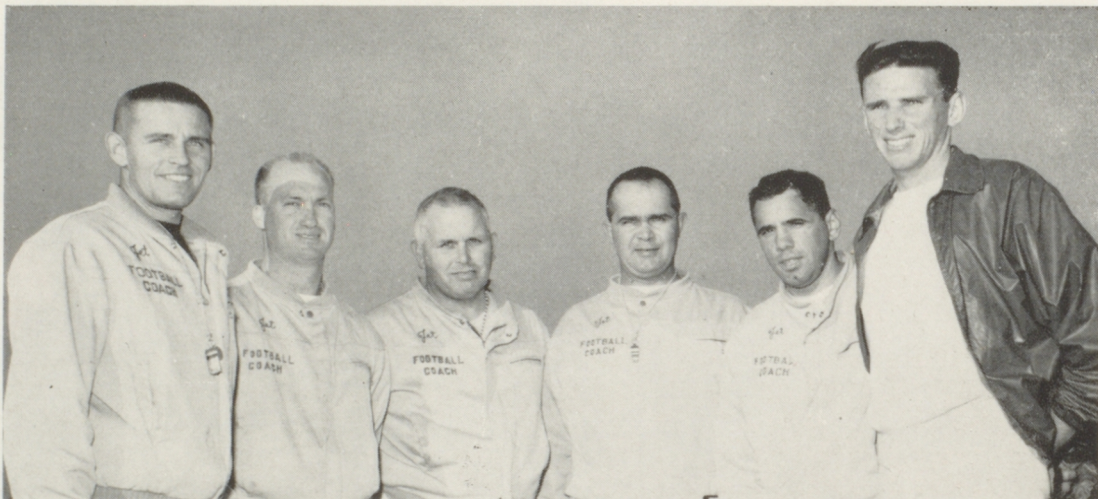

An El Cerrito pass is intercepted by Andy Brown.

JUNIOR VARSITY

The 1960 Junior Varsity team came up after a bad start and won five, tied two and lost two out of nine games. A great many of the "first stringers" went to the varsity team, leaving an inexperienced team to achieve the final outcome of the season.

Many of this year's Junior Varsity team will go on to become the new members of the Varsity Team of 1961.

FROSH-SOPH

Encinal High School's Frosh-Soph football team got off to a bad start this year, and, unfortunately, wound up with a last place in their league. Although most of the team consisted of new arrivals from elementary schools, we still have to commend them on their efforts as new players of "tackle" football. The experience which they have received this year will bear fruit next year when they tackle football again.

WRESTLING—1961

This, the second season Encinal High School has ever participated in wrestling, has proved to be successful for the Jets, inasmuch as they won the A.C.A.L. championship.

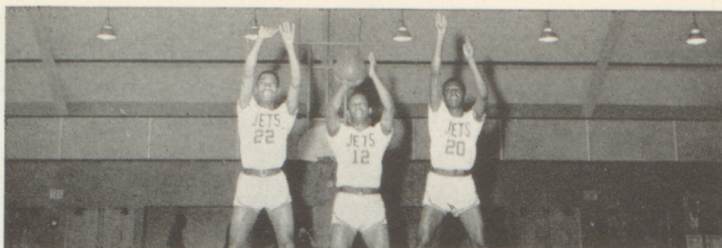

The teams which our Jets met in wrestling matches this year were: Sunset, Hayward, Tennyson, Castro Valley and Arroyo.

Mr. Gorman states that the following boys have good futures as wrestlers: Jerry Alexander, Rodney Costa, Joe Lopez, Pepe Salaiz, Rudy Sanchez, Robert Thoe and Vic Perata.

The boys who won most of their meets were: Fred Williams, Gary Barker, Naneito Canalin, Mario Mariani, and James Nelson.

“J.V.’s PREPARE TO BECOME VARSITY”

This year's Junior Varsity team, having a more successful season than did the Frosh-Soph team, ended its season with seven wins and seven losses. Coached by Mr. Paul Foster, it took a fourth place in its league. Competing with schools of twice our enrollment, the J.V. team is to be commended for its fine display of good sportsmanship.

Coach Foster states that Charles Perkins was the most improved player on the J.V. team.

Most of the members of this J.V. team will be competing in varsity play next year, as Burnell Pittman did this year.

Sonny James loosens up by sinking a basket during a workout.

Curt Reed practices jump shots before the Alameda-Encinal game.

FROSH-SOPH GAIN HELPFUL EXPERIENCE

The Frosh-Soph Basketball Team, composed of freshmen and sophomore boys under the coaching of Mr. Jim Marberry, compiled a record of seven victories to twelve losses in its nineteen games.

These boys did quite well considering that they are in their first year of high school competition. A number of these boys will go on to be members of the Junior Varsity team next year.

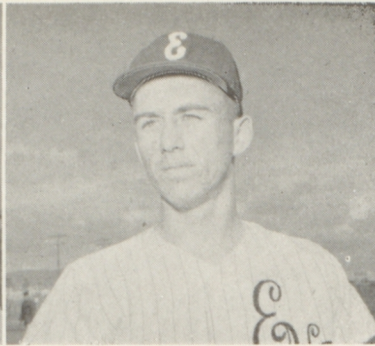

Sonny James scores two points in a 43-41 victory over Alameda.

Under the coaching of George Read, the Varsity Baseball Team is endeavoring to equal last year's baseball standings. The Jets were picked to place high this year, as they did last year, and, at deadline time, they had won three out of four games. The winning scores were: Richmond 2-1, Pacific 17-2, and El Cerrito 4-2. The losing game was to De Anza with a final score of 1-2. The Jets appeared to be on their way to a victorious season.

Coach Read states that Chuck Meredith is the most outstanding player on the 1961 team.

The remaining games are with Harry Ells, San Leandro, Berkeley, and Alameda.

Charlie Watters makes a quick pitch to second base for a double play for the Jets.

Hank Meredith and Ken Kowalski run to cover second base.

SUCCESSFUL SEASON FOR J.V. BASEBALL TEAM

The Junior Varsity Baseball Team, under Coach John Matula, was well on its way to a successful season. They had won three out of five games. The winning games were with De Anza, El Cerrito, and Pacific. We lost two games to Richmond.

Coach Matula states that Frank Smith is the most valuable player on his team.

FIRST ROW, left to right: N. Canalin, D. Littlejohn, T. Foster, B. Mathews, T. Lloyd. SECOND ROW: L. Spadoni, F. Smith, C. Perkins, E. Roberts, R. Ojeda, J. King, L. Sandahl.

Hank Meredith: "I'm waiting, too!"

CROSS-COUNTRY

The 1960 cross-country team of Encinal High School came to be very strong. After a poor season last year, they managed to obtain a higher rating in their league.

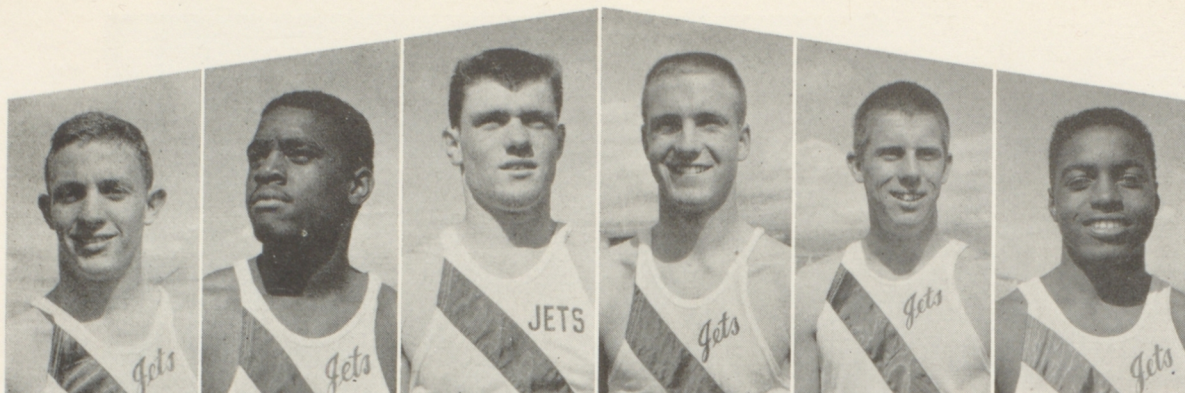

The experience which the boys have gained this year will come in handy next year, when most of the boys will go out for the cross-country team of 1961.

Miss Morey, Encinal's modern dance teacher, has reserved first and fifth periods to acquaint the girls with dance movements and exercises. First period is beginning modern dance, while fifth period is devoted to advanced instruction in dance.

Seventh period is set aside for G.A.A. (Girls' Athletic Association), and during this period, the staff and G.A.A.'ers participate in swimming, tennis, archery, and bowling.
